

# Welcome to the Conversation Cafe

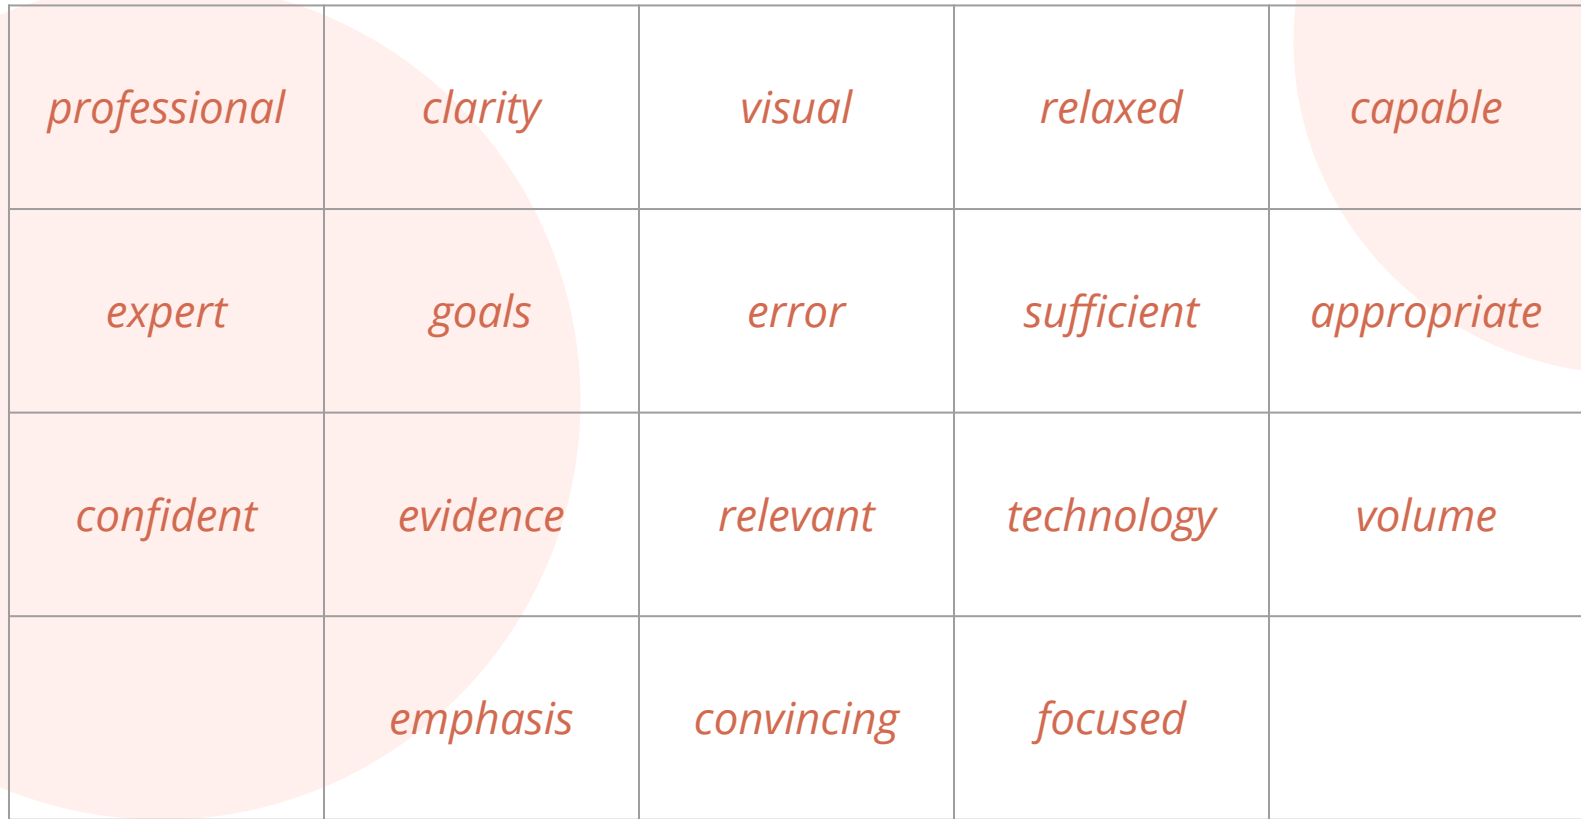

July 24th

What crazy activities do you dream of trying someday.

Write it in the shared notes.  
I would like to try bungee jumping in Whistler.

# Presentation Video

Your job during this video is to watch for any errors in the presentation.

# Let's hear from you!

- ✓ In groups discuss what errors you saw in the video
- ✓ Your goal is to decide what 3 errors you thought were the most distracting and why you find them distracting.
- ✓ As a group you will share with the class once our breakout rooms end

# Practice is Key!

A stylized illustration of a laptop with a dark blue frame and base. The screen is white and displays the text 'Before you leave turn on your mic and say goodbye!' in a dark blue, sans-serif font. The laptop is positioned in front of a large, light orange circle that serves as a background element.

Before you leave turn  
on your mic and say  
goodbye!
